

NATIONWIDE WASTE SOLUTIONS

Quality Statement

Nationwide Waste Solutions Ltd provide skip hire and waste management solutions to consumers, commercial organisations and local authority consortiums across the United Kingdom.

Nationwide Waste Solutions Ltd regards the management of quality and all operating systems as an integral part of its business and as a management priority in order to provide the highest standards of service to our customers. Responsibility for the quality within the company and for maintaining high standards applies to all employees of Nationwide Waste Solutions Ltd.

Nationwide Waste Solutions Ltd is committed to:

- Providing clients with high quality services which meet requirements, are fit for their purpose and which satisfy all applicable regulatory requirements;
- Operating the business in a manner that satisfies the requirements of ISO9001:2015;
- Enhancing the skills of management and staff through review and actively pursuing an on-going training policy
- Demonstrating the ongoing commitment of management by promoting a culture of continuous improvement and the philosophy of getting things “right first time”;
- Rigorously controlling the supply, standard, suitability, and on time provision of flexible waste solutions for all our clients;
- Promoting the quality management systems and ensuring implementation is achieved by internal auditing, management review, and corrective action;
- Maintaining a fair and creative work environment that respects and rewards new ideas, innovation and hard work;
- Achieving corporate objectives and Key Performance Indicators where stated in applicable terms of our Customer Agreements.
- Providing each employee with information on the quality policy during induction and ensuring all employees have ready access to all quality policies and procedures.
- Making this policy available to interested parties on request
